Wireless command over your HDTV, right at your fingertips.

The Samsung KBD1500 Smart Wireless Keyboard gives you complete control over your Samsung HDTV. Wireless technology lets you easily and quickly connect to your TV, so you can input your commands in a snap. Also at your fingertips: a Touch Pad, for additional control over your menu screens and option selections. And Bluetooth 2.1 capability delivers even greater connectivity to all your favorite Samsung apps, shows, movies and entertainment.
