# Smart Wireless Keyboard (VG-KBD1500)

## Accessories

- User manual
- Batteries (AA x 2)
- Warranty card

## Update TV

⚠ **To use Smart Wireless Keyboard, the TV should be updated by USB or Online.**

### Using USB

1. Download the latest TV software at www.samsung.com and extract it to the USB using your PC.
2. Turn on the TV, and then insert the USB into the USB port of the TV.
3. In the TV's menu, go to **Support → Software Update** and select "**By USB**".
4. The TV upgrades the software, turns off, and then turns on automatically.

### On screen menu

1. Connect your TV to internet network.
2. In the TV's menu, go to **Support → Software Update** and select "**Online**".
3. If there is a download available, the Download pop-up appears with a progress bar and the download starts.
4. When the download is complete and the Upgrade Query screen appears, select **Update Now**.
5. The TV upgrades the software, turns off, and then turns on automatically.
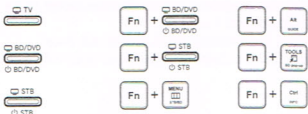

✎ **For more detail information, refer to the e-Manual.**
