[The Spectral Chalice](#)

This quest starts and ends in Blackrock Depths at the Spectral Chalice.

This quest is only for miners who have a skill level of 230.

The only way to learn how to smelt Dark Iron into bars is by speaking with Gloom'rel, a ghost in the Summoner's Tomb in the Blackrock Depths and giving him 20 Gold bars, 10 Truesilver bars, and 2 Star Rubies. After you speak to Gloom'rel, a bowl will appear at his feet. Touching the bowl will give him his tribute. Speak to him again, and he will teach you to smelt.

It is important to talk to Gloom'rel before any other dwarf, as Hate'rel will begin the event to open the door, requiring you to kill Gloom'rel. Dead dwarves make poor teachers.

If you are a miner and plan to forge Dark Iron Ore, bring 2 Star Rubies, 20 Gold Bars and 10 Truesilver Bars to complete the quest.
