

Wailing Caverns Dungeon Quests

The following quests are marked by Wowhead as [Wailing Caverns dungeon quests](#).

[Deviate Hides](#)

Sharable: Yes

This quest starts and ends with [Nalpak](#) in the Wailing Caverns.

Nalpak is outside the cave entrance to Wailing Caverns, near the oasis. Stand back from the entrance to Wailing Caverns in Lushwater. You'll see that the whole thing is a skull. The left eye is where you want to go. Find a spot where you can climb the mountain a bit and get onto the top of the skull. Slowly work your way down so that you find yourself on the nose of the skull, between the two eyes. Jump into the left eye (left if you're facing the skull) and you'll see an opening. Walk in and there's Nalpak.

[Trouble at the Docks](#)

Sharable: Yes

This quest starts and ends with [Crane Operator Bigglefuzz](#) (tway 63 37.6) located in Ratchet.

Crane Operator Bigglefuzz in Ratchet wants you to retrieve the bottle of 99-Year-Old Port from Mad Magglish who is hiding in the Wailing Caverns.

[Smart Drinks](#)

Sharable: Yes

This quest starts and ends with [Mebok Mizzyrix](#) (tway 63 37.6) located in Ratchet.

Bring 6 portions of Wailing Essence to Mebok Mizzyrix in Ratchet. These can be picked up in the caverns outside of the zone. They can also be picked up in the dungeon.

This quest is part of a series:

[Deviate Eradication](#)

Shareable: Yes

This quest starts and ends with [Ebru](#) in the Wailing Caverns.

Ebru is outside the cave entrance to Wailing Caverns, near the oasis. Stand back from the entrance to Wailing Caverns in Lushwater. You'll see that the whole thing is a skull. The left eye is where you want to go. Find a spot where you can climb the mountain a bit and get onto the top of the skull. Slowly work your way down so that you find yourself on the nose of the skull, between the two eyes. Jump into the Left eye (left if you're facing the skull) and you'll see an opening. Walk in and there's Ebru.

Ebru in the Wailing Caverns wants you to kill 7 Deviate Ravagers, 7 Deviate Vipers, 7 Deviate Shamblers and 7 Deviate Dreadfangs.

[The Glowing Shard](#)

Shareable: No

Travel to Ratchet to find the meaning behind the Nightmare Shard.

This quest is initiated by examining a Glowing Shard that is dropped by the final boss, Mutanus the Devourer, in the Wailing Caverns.

Once you have the quest, locate Sputtervalve in Ratchet to determine the next step. He is located next to the flightmaster in Ratchet. He will not have a question mark over his head. After completing your discussion, find Falla Sagewind in The Barrens to complete the quest.

This quest is part of a series:
